## Cattle Market

**KANSAS CITY STOCK YARDS.**  
Nov. 22—Today for the first time since early December, 1916, a good many hogs sold under the 11 cent level. The decline was 25 to 40 cents today, making a drop of \$1.45 since last Monday and \$6.65 since September, the high point this year, and \$12.25 lower than the record price in July, 1919. Cattle prices held close to steady. Good fat grades were rather scarce. Good stockers sold readily. Sheep and lambs were steady to higher. The few range lambs offered sold readily.

**Today's Receipts**  
Receipts today were 18,500 cattle, 15,500 hogs, and 8,000 sheep, compared with 30,000 cattle, 15,000 hogs and 6,000 sheep a week ago, and 30,500 cattle, 20,250 hogs and 9,150 sheep a year ago.

Few fat steers were here today, but the continued heavy receipts in Chicago kept local killers from paying an advance. Short fed steers sold at \$10.50 to \$12.75, and grass fat grades \$8.00 to \$10.75. A good many common range steers brought \$6.50 to \$7.50. Cows and heifers though in liberal supply sold readily at strong prices, and fully 50 to 75 cents above the low point last Wednesday of last week. Killers are rather anxious to get range cows as the movement will soon be over. Veal calves were steady.

Active buying late last week caused a close clearance of stockers and feeders, and while receipts today were fairly liberal, trade remained large at strong prices compared with last week's close, and 50 to 75 cents above the low point last Wednesday. Quality of the offerings was fairly good. Most of the arrivals were from Texas, New Mexico and Colorado. General large consignments were reported from Wyoming and Idaho.

The decline in hogs continues. The top price today was \$11.25 and bulk \$10.75 to \$11.10, a drop of 25 to 40 cents, compared with last week's close, and \$1.45 lower than a week ago. The movement is increasing and still lower prices are expected in December. Owing to the Thanksgiving holiday Thursday, receipts here after Tuesday will be light until the following week. Pigs and stock and feeding hogs were steady with demand active. The top for pigs was \$11.00.

Good lambs in some cases sold 25 cents higher and sheep were strong. Fed lambs sold up to \$11.25 and yearlings \$8.50. Fat ewes were in limited supply at steady prices. Elsewhere receipts were liberal and prices were lower. Demand for feeding lambs was quiet.

Today's receipts were about 125 horses and mules. Quality was better than for some time past. Trade was quiet at steady prices.

## "CAM" JONES LOST THE JOS AS HOSTESS

(From Thursday's Daily)  
After a long record of many parties at the Red Cross community house on South Marina street, Miss Annie Campbell Jones yesterday afternoon lost her position as community house hostess. The tables were turned, and Miss Jones was made the guest of honor at the latest of the Wednesday afternoon teas, the occasion being her birthday. Mrs. Alec Jones and Mrs. R. O. Barrett were hostesses.

The usual entertaining occupations featured at the Wednesday teas were varied yesterday by a program of vocal and piano numbers. Mrs. Ellis Tisdale sang two popular songs in a very charming manner, one of them an encore. She was accompanied by Mrs. Thomas Ryland, who followed with a classical piano selection, and an entertaining songologue that met with much appreciation.

Delicious refreshments were served consisting of a pretty birthday cake and other tasty varieties of the same article, with coffee and tea, and an afternoon was passed that was enjoyed by everyone present.

Guests from out of town included Mrs. C. R. K. Swetnam of Los Angeles; Mrs. H. K. Behn, of Phoenix; Mrs. M. Quinn, recently arrived from Chihuahua, Mexico; Mr. and Mrs. Thomas Ryland, of Groom Creek, and Mr. Verne E. Roberts, of Jerome.

## CLEMENCEAU WILL HAVE BANK PAPERS FILED

(From Thursday's Daily)

Organized by a group of prominent citizens of Arizona, J. S. Douglas and George Kingdom, of Jerome; William H. Brophy and Michael J. Cunningham, of Bisbee; and A. J. Pickering, of Prescott, a new firm will soon be added to Yavapai county's list of banking institutions.

The new house, to be known as the Bank of Clemenceau, will be opened in that city. Capital stock is provided for in the sum of \$50,000, to be issued in 500 shares of \$100 each. The articles of incorporation of the new firm require that \$25,000 shall be paid before the firm opens for business.

The Bank of Clemenceau will conduct a general banking business along the lines of commercial and savings banking, safety deposit and general trust business, and the other banking activities dependent upon these. Articles of incorporation were filed November 8 by Favour and Cornick. J. S. Douglas is president of the United Verde Extension Copper company and a vice-president of the Bank of Bisbee. George Kingdom is general manager of the U. V. Extension. William H. Brophy is manager of the Phelps-Dodge Mercantile company in Bisbee and president of the Bank of Bisbee, of which M. J. Cunningham is a vice-president. A. J. Pickering is connected with the Phelps-Dodge interests in Yavapai county.

## MUNDS-HARPER NUPTIALS AT COTTONWOOD NOV. 20

(From Thursday's Daily)

Word has been received from Cottonwood of the marriage there on November 20 of Miss Sadie Grace Munds and Daniel Kelly Harper, the Rev. Henry Clarke Smith of Jerome officiating.

The ceremony took place at the home of Mr. and Mrs. M. G. Willard. The impressive Episcopal service was used and Mrs. W. H. Mandis, sister-in-law of the bride, and Dan McLeod, a life-long friend of the groom, attended the couple. Only the immediate family was present.

After the wedding, a tempting dinner was served and the young people of the neighborhood gathered for the usual congratulations. The bride is the eldest daughter of Mr. and Mrs. J. L. Munds and is much loved by a large circle of friends. The groom is a very popular and well known young mining man. He is at present with the Guggenheims at Gibson, N. Mex. The young couple left for their new home in New Mexico on Sunday morning.

## GEORGE MERRITT VICTOR IN 25-MILE AUTO RACE

(From Friday's Daily)

With George Merritt at the wheel, and Clarence Moffet keeping a wicked eye on the course, car No. 7 yesterday afternoon took from all contestants the main event in the Prescott Racing club's big program of speedfests at Frontier park, making the 25 miles in 35 minutes.

Car No. 8, driven by Harry Temple and Ray Langdell, dipped under the checkered flag a close two minutes behind the winner, after making one of the most spectacular runs ever seen on the Frontier park course, with Jack Drumm and Jack Morrison in No. 4 coming in third. No. 4's time was 40 minutes.

The 25-mile event was an exciting race, with plenty of thrills and no one hurt. No. 8 and No. 4 nosed their way into second and third place in the face of mishaps that seemed almost certain to put them out of the running.

No. 8 was making good time when, on the next to last lap, the car broke a steering knuckle, and it looked as though it was all over for Temple and Langdell. The two men, however, stuck to the job. Easing down a bit, they kept the car under control and made the last lap with an almost useless steering gear, finishing second.

No. 4 also won under circumstances that made things look like riding the goat. As they were making the 35th lap, they threw a wheel in rounding the west curve. Three laps were lost in replacing the lost wheel, but Drumm and Morrison knew that a car plastered with jacks of hearts and diamonds wasn't meant to be a loser, and they sailed in again to finish ahead of Nos. 1, 3 and 5. No. 1 was piloted by Jim Neilson with McKinley as mechanic. No. 3's crew was Dan Sidel and Earl Nash, and No. 5 carried Gail Garbarino and Gwin Hebt.

Spectators at yesterday's events expressed the opinion that if No. 1 hadn't struck a hole on the west turn and broken its crank case, it would have finished first. The crew made a brave effort, attempting to keep going by pouring oil into the engine by hand, but they burned out a bearing and dropped out.

**Newcomer's Win**  
Dropping into town yesterday with a Ford, two New Mexico men, S. G. Marsfelder and W. P. Scarborough, were allowed to enter the

races as car No. 2, taking the place of Joe Matli's withdrawn car, and they picked off first place in the Australian pursuit.

Car No. 12, driven by George Jones and a dark horse mechanic, came in second, Nos. 6 and 9 being forced to drop out. There were ten entries in the tryouts for the race, the four cars named finishing. Bob Connell, who had withdrawn No. 9, the car with the human brain, because of a burned-out cylinder, yesterday fixed her all up again and entered her just in the spirit of the game. With new cylinders, the engine heated up quickly and Connell had to withdraw. No. 6 was handled by Albert Hatz and a dark horse mechanic. Huge Wideman, mechanic for George Jones, withdrew, his place being taken by a dark horse.

An excellent novelty race was part of the afternoon's program. Nos. 3, 2 and 5 started off with a dead engine, killing and cranking their motors on each of the first two laps, and finishing on a complete lap. No. 3, driven by Dan Sidel, with Earl Nash as mechanic, came in first, No. 2, under the New Mexicans, second, and No. 5, with Gail Garbarino and Wwin Hebt, third.

A big crowd was present at yesterday's program, and spectators pronounced the events excellent. The track was in perfect condition, having been worked over frequently by the club members and the Prescott street department.

At a meeting to be held at 7:30 this evening at the Prescott Tire company's showrooms, the racers will meet with the Racing Club to determine the prize moneys, amounts of which depend upon the size of yesterday's gate receipts. In view of the fact that the Prescott Racing Club has taken upon itself to see that Wilkes and Edson, the two men injured when No. 10 went through the fence Sunday, are cared for, 10 per cent of the receipts will be retained by the club.

## PRESCOTT-SECOND CITY TO REACH TOP IN CAMPAIGN

(From Friday's Daily)

Prescott won the honor of being the second city in the United States to go over the top in the Red Cross Roll Call membership drive, which reached its end last night when Mrs. T. H. Bate, chairman of the Roll Call committee, announced that the campaign would be discontinued in view of the fact that Prescott had more than reached its quota, and that the sale of Red Cross Christmas seals is to commence soon.

Glendale, Calif., was the first city in the country to reach its quota, Prescott reaching its high water mark immediately afterward. With some of the city districts and Whipple barracks yet unheard from on final counts, the total members so far accounted for reach 1200. This is 200 more than the number set as a mark for this city. At least a hundred more members are expected when the lists are finally gone over.

In the county, Humboldt enrolled 65 members. Ash Fork and Mayer have not yet reported.

Mrs. Bate stated last night that the campaign is at its end, and that she would like all books and buttons outstanding turned in to her today. The work of the members of the Roll Call committee has been very gratifying as has that of Mrs. Bate, who has made an excellent and efficient captain. Every member on the team went at their work with the enthusiasm and energy that spelled success and a national Red Cross record for the Mile High City in a campaign to which by their wholehearted support the people of Prescott have given the sanction of approval.

## PRESCOTT WENT HEAVY ON GOBBLEERS THURSDAY

(From Friday's Daily)

Thanksgiving day passed quietly for most people of Prescott. There were two rude and rough pastimes for those who liked them, and the great American fowl also failed to share in the calm of the holiday, but his troubles were over by the time the celebrants were upon him.

Dinner parties of the usual sort were numerous. Business houses reported a heavy sale of the delicacies that go with the season.

Among the turkey dinners were a number in town where fellows from the post were entertained by friends. It is said that some of the chaps from Whipple indulged themselves in the excellent dinner at noon there and then turned to other boards in the city and did strenuous trencher fatigue a second and in some cases, even a third time. One Whippleman referred to them as duplicates and triplicates.

## JURY HEARS ALL ARGUMENT IN EDWARDS CASE

(From Friday's Daily)

Contention over the demand of Powell W. Edwards for recompense from the United Verde copper company for alleged injuries to his spine, kept federal court attaches and jurors on duty all day yesterday while the final testimony and the arguments were being introduced, and, it is likely, a verdict will not be reached before late this morning.

Judge Sawtelle, presiding, dismissed the jury late yesterday afternoon and although nothing but the court's instructions remained to be read, did not call a night session, but adjourned court until 9:30 this morning. Argument of counsel centered around the testimony of physicians who were called upon for evidence yesterday morning and late the afternoon before, covering the alleged physical condition of Edwards and the extent of his injuries, if any. It was argued by counsel for the defense that Edwards was not injured by reason of his accident in the electrical repair shop at the Clarkdale smelter, but had fallen off in health due to neurasthenia and that possibly calculi in the blood was also responsible for his discomfort. Opposing counsel recalled the testimony of Dr. J. B. McNally to the effect that a bone in the plaintiff's spine was displaced as a result of some hurt and was responsible for his condition.

Argument in the case was conducted yesterday afternoon by E. S. Clark for the plaintiff and LeRoy Anderson and George Nilsson for the defendant. The case involves \$50,000 sought by Edwards.

## LITTLE DEPUTY STAGES A REAL COME-BACK

(From Friday's Daily)

Deputy Sheriff Grant H. Carter left yesterday afternoon for Kirkland to take turkey dinner at his home. He carried with him an appetite which he had worked up during the morning by making a good Indian of a disturber of the peace at the Nippon pool hall, and whose efforts at one time resulted in the downfall of the deputy.

Carter was called to the pool hall after, it is said, Gaviel Garcia had made things lively around the premises for some time. On the approach of the officer, Garcia floored him with a lucky swing, but the fight was only starting as far as Carter was concerned. The unruly celebrator attempted to call it off and tried to take his departure, but Grant unlimbered his artillery and took the man's departure away from him, working him over to a degree in the process.

Carter is the smallest deputy on the local force, but he has twice proved he is not really so stingy with his come-backs. He recently suffered a knock-down at the hands of a blacksmith who had been monkeying around the cork-end of a white male, but with the aid of Dick Twamley, subdued and arrested him.

## ASK PARENTS TO JOLLIFY WITH THE BOY SCOUTS

(From Friday's Daily)

Boy Scout members of the Prescott troops, and their parents will enjoy a rattling good time at the community house on South Marina street this evening, as the guests of Troop 2.

Under Scoutmaster Marsh Smith, arrangements for the party, to be given at 7:30, are expected to culminate in a series of dances and games in which everyone will have the time of their lives. Refreshments will be served during the evening.

Scoutmaster Smith wishes it understood that parents are particularly welcome, and that as many scouts as possible should come, for a real scout get-together and jollification.

## C. OF C. PUTS OFF MEETING TONIGHT

(From Thursday's Daily)

No meeting of the Yavapai county chamber of commerce will be held today, all members being given an opportunity to enjoy Thanksgiving. However, in order that affairs of importance can be acted upon, a meeting of the members is called for tomorrow evening, November 26th. Members are asked by President Clark to be present at the usual time, 8 o'clock.
